

# WRAPPING PAPER

## MATERIALS:

- A large paper shopping bag
- Paper tape
- Scissors

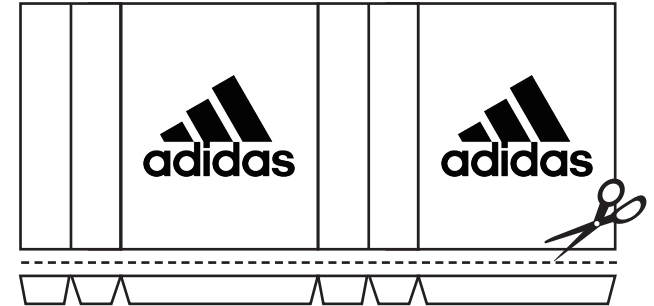

1. Gently tear open the bottom of the bag, then cut up the side edge seam.

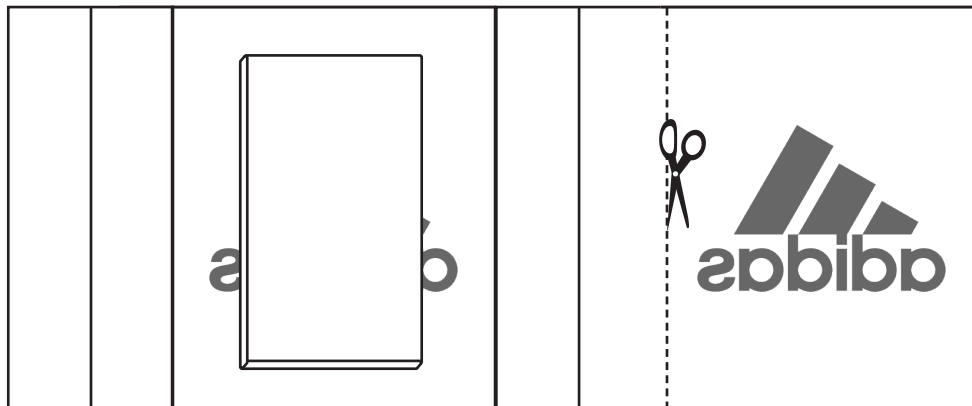

2. Remove the handles (and save for a bag tag tie).

3. Cut a clean edge on the bottom of the bag.

4. Line up the logo on the front of the gift and cut bag to appropriate size.

5. Wrap and tape as you would with traditional gift wrap.
